DETAILED ACTION

Allowable Subject Matter

1. Claims 27-35 are allowed. (Re-numbered as 1-9)
2. The following is an examiner's statement of reasons for allowance:

The examiner finds applicant's argument concerning the Zait references (US 2002/0194157) presented at pages 8-12 of the amendment filed 3/6/2007 persuasive. Zait does not teaches the combination of claimed elements of the amended claims 27-35. Thus, prior art of record neither renders obvious nor anticipates the combination of claimed elements in light of the specification. After a further search and a thorough examination of the present application and in light of the prior art made of record, claims are allowed.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
